

KANSAS CITY AMPS

Armor Modeling and Preservation Society

The first AMPS Chapter - Founded 1996

On the web at: www.kcamps.org

Kansas City AMPS

We are a scale model club which focuses on models which relate to armor, soft skin vehicles (like jeeps and other trucks), and artillery. We are affiliated with both the AMPS (Armor Modeling and Preservation Society) and IPMS (International Plastic Modelers' Society). We meet once a month and we encourage modelers of all skill levels to join us. The most common comment from new members is that they were able to increase their enjoyment of the hobby and their building skills by becoming an active part of the club. This is what we are all about.

MEETINGS

Meetings for KC AMPS are held on the **3rd THURSDAY** of each month from 7pm to 9pm at the Matt Ross Community Center, Sunflower room in Overland Park. The Matt Ross Community Center is located at 8101 Marty, Overland Park, KS 66204 and their phone # is 913-895-6350.

Contacting Us

If you want to contact us with any questions or a request for information you can reach us via the website or by emailing one of the following email addresses:

webmaster@kcamps.org for website related questions

kcamps@hotmail.com for general questions

You can also register on the forums we have on the website and contact us there.

KC AMPS Crew hard at work during a typical meeting

Why not come join us for a meeting and learn what building armor is all about!
